*** BIO***

Lisa Lieberman-Wang is Success Strategist and leading expert on neuroscience and human psychology for professionals, top level executives, business leaders and entrepreneurs to develop outstanding strategies and resources to help overcome the challenges that weigh them down so you can excel in all areas of your life.

Lisa is the #1 Bestselling International Author of the book F.I.N.E. to FAB. She is also the Co-Creator of the cutting-edge neuroscience N.A.P., Neuro Associative Programming™ (NAP), a Licensed Master NLP Practitioner and Trainer. She is always in high demand and seen by millions on ABC, CBS, NBC, FOX, MSN, Huffington Post, The CW and TEDx.

Over the last 30 years, Lisa has advised and helped nurture the businesses of many professionals thriving today. Supporting her clients in increasing revenue, reducing operating expenses, marketing their business online and off, reducing absenteeism and presenteeism, re-positioning themselves as leaders in their industries.

Lisa uses her trademarked technology, to help transform thousands through her exclusive programs to overcome

lack of focus, self-sabotage, poor decision making, barriers to reaching fiscal and personal goals so they can achieve the business objectives the organization is depending on.

Her programs include personal and executive coaching, education, skills and resources to create change rapidly. Applying the same principles, she has helped individuals and businesses grow exponentially eliminating the blocks that get in the way of productivity, results and revenue.

Throughout her career, Lisa has applied neuroscience, human psychology and behavioral studies to personal and business development. Her studies include but not limited to traditional coaching methods, cognitive behavior therapy (CBT), neuro-linguistic programming (NLP), dialectical behavior therapy (DBT), neuro-associative programming (NAP), neuro-associative conditioning (NAC), hypnotherapy, among others. She's worked with Tony Robbins for over 25 years, is a Platinum Partner and Senior Leader with him.

She's spoken on some of the most prestigious stages, including Harvard University, the Navy, Women Leading the Future. She's been contracted by companies like Konica Minolta, Anthems, Blue Cross Blue Shield to train their employees.

Lisa has coached thousands of highly successful business leaders and managers in their leadership roles, relationships, success and mindset. As a professional speaker, she's trained over 125,000 entrepreneurs live in person over the last 25 years on wellness, leadership, sales and marketing strategies to grow themselves, their business and their minds.

Executives & Entrepreneurs choose to work with Lisa because she's not just a one-trick pony, but a true business leader. She's done over \$60 million in personal sales in her career. She has led countless professionals to multi-million-dollar businesses including herself. She has helped business owners and executives double, triple and 10x their revenue. Her expertise reaches every aspect of your business.

Lisa helps people to think and act more strategically. If you're looking to inspire, enlighten, motivate and move your organization then hire her.

- * Grasp what mental decisions you are making when you don’t get a “YES”
- * Learn to love getting “NO’s” and how it will lead you to more “YESes”
- * Master the Success Model to gets the most “YESes”

Testimonial from Raymond Aaron New York Times top 10 best-selling author and professional speaker for the last 34 years. *“This [video](#) is about Lisa Lieberman Wang she is an amazing speaker. I had the honor of sharing the stage with her I've known her for quite a few years and I published her book and I wrote the foreword for her book, but I haven't seen her in about five years and I was dazzled she was on right before me and the range the range of emotion I've never seen in any other speaker ever in all of 34 years. She brings them from the depths of heartfelt empathy with her right up to laughing and yelling and back and forth and back and forth. She has the heart, she has the skill. She's drop-dead gorgeous, she dresses perfectly for being on stage, she is a dazzling speaker, a dazzling cell speaker, if you are a promoter hire her my name is Raymond Aaron and I endorse Lisa Lieberman Wang.”*

The Happiness Advantage

In this popular corporate seminar, Lisa shows you the clear link between your brain’s psychology and performance.

Discover:

- * why the “common knowledge” that if you work harder, you will be more successful and happier is scientifically backward,
- * how training your brain to be positive at work fuels greater success,
- * the reason 75% of your job success is predicted not by intelligence, but by your optimism, social support network, and ability to manage energy and stress in a positive way,
- * what positive psychology really means on a practical level, and
- * straight forward strategies to achieve a happy state during change and challenge.

*"Lisa Lieberman-Wang is a true example of a **phenomenal business leader and professional speaker** who is giving back to other women by sharing her wealth of knowledge to catapult professionals into being the best leaders they can be. Helping to accelerate their advancement and expand the influence of women leaders of all professions and strengthen our business community. Her genuine spirit made her an easy facilitator to work with, and also shined through in her presentation. We are grateful that she was able to share her time with us. Our members walked away with more than just a lesson in business."* **Nicole Stephenson, Programs Director, Society of Professional Women The Main Line**

Chamber of Commerce
